**(1x3=3Marks)**

Our Earth is a precious gift, providing everything we need to live. The saying "Save Earth, Save Life" reminds us that taking care of our planet is essential for our own survival. When we pollute the air and water, cut down too many trees, and waste resources, we harm the Earth. This harm eventually affects us, leading to health problems and a less pleasant world. By keeping our surroundings clean, using resources carefully, and protecting nature, we ensure a healthy and happy future for all living things. Saving the Earth is not just an option; it's a necessity for saving our own lives.
