Invigilator's Sign: _____ **Marks Obtained: _____** **Examiner's Sign: _____**

General Instructions:

1. **The Question Paper contains THREE sections: Section A- Reading, Section B- Grammar & Writing, and Section C- Literature.**
2. **Attempt all the questions as per specific instructions for each question.**

Section-A (Reading)

1. Read the passage given below and answer the questions: **(1X3=3 Marks)**

Computers are an important part of our daily lives. They help people work, learn, and communicate. Students use computers to research information, complete projects, and attend online classes. Doctors use computers to keep patient records and check medical reports. Shopkeepers use them to keep track of sales and products. Computers can perform many tasks quickly and accurately.

The internet has made computers even more useful. People can send emails, watch educational videos, and talk to family members living far away. Because computers contain important information, users should protect them with strong passwords and use them responsibly.

i) What is the main idea of the passage?

a) Computers are only used in schools.
b) Computers help people in many areas of life.
c) The internet is better than computers.
d) Computers are difficult to use.

ii) What can we conclude about passwords?

a) They help protect important information.
b) They make computers slower.
c) They are only for doctors.
d) They are not important.

iii) Give a suitable title to the passage. _____

Section-B (Grammar & Writing)
