One day, he saw a strange sight outside the window. It was a penguin eating a sandwich. The penguin squeezed in through the open window and said, "Good afternoon." The little boy didn't tell anyone about this because who would have believed him? Even so, more strange characters ended up putting joy back in his heart, and in his body. Gradually, his health improved so much that he was able to go back to school again. There, he got to talk to his friends and tell them all the strange things he had seen. While he was talking to his best friend, he saw something sticking out of his friend's school bag. The boy asked his friend what it was and he was so insistent that finally his friend had to show him what was in the bag.
